

STATEMENT OF PURPOSE

RS23418

On September 18, 2014, Congress passed the Preventing Sex Trafficking and Strengthening Families Act which includes the requirement for all states to enact the 2008 Amendments to the Uniform Interstate Family Support Act during the 2015 legislative session. These amendments incorporate provisions of the 2007 Hague Convention on International Recovery of Child Support and Family Maintenance and will improve the enforcement of American child support orders abroad.

FISCAL NOTE

No fiscal impact if adopted by the end of the 2015 legislative session. If not adopted, the Department would be out of compliance with State Plan requirements and could face a potential loss of IV-D funding under the Social Security Act.
